**DECLARATION OF INCORPORATION (Annex II.1.B)**

The ALPHA POMPE S.p.A. declares that the full range of its products:

PNEUMATIC SHUTTLE VALVES, “FAST-AIR” branded

is engineered and manufactured according to all Essential Health and Safety Requirements (EHSR), according to applicable titles and conditions, as indicated in Annex I by the EC Directive:

MACHINERY DIRECTIVE - 2006/42/CE

- 1.1.3. *Materials and products*
- 1.1.5. *Design of machinery to facilitate its handling*
- 1.2.1. *Safety and reliability of control systems*
- 1.3.2. *Risk of break-up during operation*
- 1.3.3. *Risks due to falling or ejected objects*
- 1.3.4. *Risks due to surfaces, edges or angles*
- 1.3.7. *Risks related to moving parts*
- 1.3.8. *Choice of protection against risks arising from moving parts*
- 1.4.1. *General requirements*
- 1.4.2. *Special requirements for guards*
- 1.5.2. *Static electricity*
- 1.5.3. *Energy supply other than electricity*
- 1.5.4. *Errors of fitting*
- 1.5.6. *Fire*
- 1.5.7. *Explosion*
- 1.5.8. *Noise*
- 1.6.1. *Machinery maintenance*
- 1.7.1. *Information and warnings on the machinery*
- 1.7.2. *Warning of residual risks*
- 1.7.3. *Marking of machinery*
- 1.7.4. *Instructions*

Description: Pneumatic shuttle valves, “FAST-AIR” branded.

Use: Valves for interception of Group 2 - NON-HAZARDOUS fluids
(See FAST-AIR General Catalogue and Instruction Manual)

“FA” Series: Aluminium Alloy Models: FA10, FA15, FA20, FA25, FA32, FA40, FA50.

Serial number: Each valve bears an identification serial number.

Other applicable directives: Directive PED-2014/68/UE.

Risk assesment: EN 12100/1 – 12100/2.

ALPHA POMPE S.p.A. also declares that the relevant technical documentation is compiled in compliance with Annex II.1.B of the Directive. In case of a reasoned requirement, it will be transmitted to the relevant authorities.

In respect of a.m. Directive, and also as general safety norm, it is forbidden to put into service the final machine where the device is incorporated, before it is declared conform to the same Directive.
